**Traffic Safety Minutes:**

**The November meeting of the North Tonawanda Traffic Safety Committee was called to order at 1800 hours. Roll call showed the following members present: M. Meisenburg, R. Frank, M. Lemke, J. Sikora, N. Ferguson, M. Nalbone, and R. Brennan. The minutes from the previous meeting were read and accepted, the following new concerns/requests were discussed, and recommendations made.**

- 1. Request for a terrace parking permit from David Alexander Vuich at 112 1<sup>st</sup> Avenue. The reasoning for his request is for an additional car that is being used for parts. Members drove by seeing the car parked in the road with all flat tires and full of parts to the roof of the car. Having a vehicle parked on a terrace like this is a complete eye sore. The committee denied the request.**
- 2. There have been concerns crossing Oliver at Center Ave. At this time, we can't paint a dedicated crosswalk due to the cold weather. Most of the concerns came from OLC Church. Member Meisenburg reached out to the pastor of OLC, and he said he will eventually make the purchase of the illuminated crosswalk signs that Matt's music installed on Oliver. Matt's music has had positive feedback and has seen a significant reduction in speed in front of their business.**
- 3. Nash road speeding is continuing to be monitored by NTPD. The Signal Dept. will be adding more 30 mph signs on Nash from Twin City to Walck Rd.**

**The next Traffic Safety Meeting will be held on December 15<sup>th</sup>, 2025.**

**Travel safely!  
Matthew R. Meisenburg**
